EMS Subscription Program

Let the Fire Department show you how $2 per month can save you hundreds of dollars on medical bills.

About the Paramedic Program

No one likes to think they'll need paramedic assistance or emergency services. But each year thousands of Montclair residents call 911 for medical help.

By simply subscribing to the Emergency Medical Services Subscription Program, you'll save as much as $387 per visit for paramedic emergency responses. It's a great way to protect yourself, your family, and employees from the unanticipated cost of emergencies, while helping to maintain the quality of the paramedic program in the City of Montclair.

WHY Subscribe?

Over 1000 Montclair residents and business owners have already joined the program for the many benefits it offers.

Save Money and Have Peace of Mind

As a resident or business located within the City of Montclair you are eligible to join the City's official EMS Subscription Program.

Unlimited usage

No matter how many times you must call for help, there are no out-of-pocket charges for emergency paramedic services. ***The subscription does not cover ambulance transportation costs.***

Family coverage

Your subscription includes all members of your household.

Workforce Protection

You can protect your employees against unexpected paramedic and emergency charges while they're at your business site.

EMS Subscribers will not be responsible for any fire department charges. However, your insurance carrier including Medicare & Medical will be billed as described below; and any payments will be considered payment in full.
