

## State Energy Efficient Appliance and Building Rebate Program

### Appliances

#### Clothes Washers & Dryers

Read our [Clothes Dryer](#) and [Clothes Washer](#) product guides for buying tips!

\$35.00/unit	Program: <b>Home Efficiency Rebate Program</b> 2009 ENERGY STAR Qualified Clothes Washer (must meet current minimum ENERGY STAR standards).	Southern California Gas Company (SoCalGas) 1-888-431-2226 <a href="#">Incentive details online</a>
Free	Program: <b>Home Energy Efficiency Survey</b> A no-cost, residential energy analysis. Provides energy users with reliable information about the energy use and costs of each major appliance for your homes, including the heating system. The personal profile gives specific steps to reduce your energy costs.	Southern California Gas Company (SoCalGas) 1-800-427-4400 <a href="#">Incentive details online</a>
\$100/unit	Program: <b>High Efficiency Clothes Washer Rebate Program</b> High Efficiency Clothes Washer having a Water Factor of 6.0 or less. For Single-Family Residential applications.	Monte Vista Water District 909-267-2165 <a href="#">Incentive details online</a>
\$100/unit	Program: <b>High Efficiency Clothes Washer Rebate</b> Get a rebate when you purchase a qualified new ENERGY STAR certified high-efficiency clothes washer. Qualifying high efficiency clothes washers must have a water factor (WF) of 6.0 or less.	Inland Empire Utilities Agency (IEUA) 909-993-1749 <a href="#">Incentive details online</a>
\$210/unit	Program: <b>High Efficiency Clothes Washer Rebate Program</b> High Efficiency Clothes Washer having a Water Factor of 6.0 or less. For Multi-Family Residential applications.	Monte Vista Water District 909-267-2165 <a href="#">Incentive details online</a>

#### Dishwashers

Read our [Product Guides](#) for energy-efficient product information and purchasing tips!

\$30/unit	Program: <b>Home Efficiency Rebate Program</b> 2009 ENERGY STAR Qualified High Efficiency Dishwasher (must meet current minimum ENERGY STAR standards).	Southern California Gas Company (SoCalGas) 1-888-431-2226 <a href="#">Incentive details online</a>
-----------	--	--

#### Refrigerators & Freezers

\$35.00 to \$50.00/unit	Program: <b>Residential Appliance Recycling Program (RARP)</b> Discard an operable, inefficient refrigerator and receive \$35. Discard an operable, inefficient freezer and receive \$50. Refrigerator size is limited to 10 to 27 cubic feet.	Southern California Edison (SCE) 800-234-9722 <a href="#">Incentive details online</a>
\$50.00/unit	Program: <b>Single Family Energy Efficiency Rebate Program</b> ENERGY STAR qualified refrigerator.	Southern California Edison (SCE) 800-736-4777 <a href="#">Incentive details online</a>

#### Water Heaters

\$30.00/unit	Program: <b>Single Family Energy Efficiency Rebate Program</b> Efficient electric storage water heater. Energy Factor of .92 or greater, 30 gallons minimum. Replace an existing electric water heater.	Southern California Edison (SCE) 800-736-4777 <a href="#">Incentive details online</a>
--------------	--	--

Tax Credit: 30% of cost, up to \$1,500	Program: <b>Energy Efficient Home Improvements</b> Gas, Oil, Propane Water Heater (Energy Factor 0.82 or a thermal efficiency of at least 90%).	U.S. Department of Energy <a href="#">Incentive details online</a>
Tax Credit: 30% of cost, up to \$1,500	Program: <b>Energy Efficient Home Improvements</b> Electric Heat Pump Water Heater (Energy Factor 2.0).	U.S. Department of Energy <a href="#">Incentive details online</a>
Up to \$200/unit	Program: <b>Home Efficiency Rebate Program</b> High-Efficiency Tankless Water Heaters. \$200 rebate for models with an Energy Factor of 0.90 or higher. \$150 rebate for models that meet a minimum Energy Factor of 0.82. Must be replacing a conventional tank-type water heater. Unit must be purchased from a participating manufacturer. List of participating manufacturers is located on the program website. Rebates are available on a first-come, first-served basis until funds are depleted. To qualify, energy-efficient products must be purchased and installed on or after January 1, 2009.	Southern California Gas Company (SoCalGas) 1-888-431-2226 <a href="#">Incentive details online</a>

## Building Envelope

### Cool Roofs

Tax Credit: 30% of cost, up to \$1,500	Program: <b>Energy Efficient Home Improvements</b> Metal or Asphalt Roof. All ENERGY STAR metal and asphalt roofs qualify for the tax credit. Must be expected to last 5 years OR have a 2 year warranty.	U.S. Department of Energy <a href="#">Incentive details online</a>
--	--	---

### Doors

Tax Credit: 30% of cost up to \$1,500	Program: <b>Energy Efficient Home Improvements</b> Exterior Door Replacement (U factor less than or equal to 0.30, SHGC less than or equal to 0.30).	U.S. Department of Energy <a href="#">Incentive details online</a>
Tax Credit: 30% of cost, up to \$1,500	Program: <b>Energy Efficient Home Improvements</b> Storm Doors. In combination with a wood door assigned a default U-factor by the IECC, and does not exceed the default U-factor requirement assigned to such combination by the IECC.	U.S. Department of Energy <a href="#">Incentive details online</a>

### Insulation

\$0.15/sq.ft	Program: <b>Home Efficiency Rebate Program</b> Attic Insulation. Existing insulation must be R-11 or less. The final insulation level must be R-30, or R-19 if there is less than 24 inches of attic clearance.	Southern California Gas Company (SoCalGas) 1-888-431-2226 <a href="#">Incentive details online</a>
--------------	--	--

### Miscellaneous

Program: <b>Designed for Comfort (DfC), Efficient Affordable Housing</b> Program provides long-term energy benefits by promoting a performance based, comprehensive, cost-effective package of energy efficient measures with long useful lives. These include high performance windows, better insulation, high-efficiency heating, cooling, and water heating equipment, and most likely, a combination of these measures to achieve maximum savings potential.	Heschong Mahone Group (HMG) 760-436-7001 <a href="#">Incentive details online</a>
--	---

### Weatherization

Free	Program: <b>Direct Assistance Program Weatherization</b> Income-Qualified. No-cost weatherization measures to qualified customers to help keep indoor air temperatures comfortable.	Southern California Gas Company (SoCalGas) 800-331-7593 <a href="#">Incentive details online</a>
------	--	--

Free	Program: <b>Energy Management Assistance Program</b> Weatherization Measures. Income Qualified. As part of the income-qualified Energy Management Assistance (EMA) Program, Southern California Edison provides free Weatherization services, such as repairs or improvements that will help keep a home warm in winter and cool in summer.	Southern California Edison (SCE) (800) 736-4777 <a href="#">Incentive details online</a>
------	--	--

## Windows/Window Treatments

Tax Credit: 30% of cost, up to \$1,500	Program: <b>Energy Efficient Home Improvements</b> Exterior Window Replacement (U factor less than or equal to 0.30, SHGC less than or equal to 0.30).	U.S. Department of Energy <a href="#">Incentive details online</a>
--	---	---

Tax Credit: 30% of cost, up to \$1,500	Program: <b>Energy Efficient Home Improvements</b> Skylight Replacement (U factor less than or equal to 0.30, SHGC less than or equal to 0.30).	U.S. Department of Energy <a href="#">Incentive details online</a>
--	--	---

Free	Program: <b>Energy Management Assistance Program</b> Window Replacement. Income-Qualified. A replacement energy-efficient window for qualified customers.	Southern California Edison (SCE) 800-736-4777 <a href="#">Incentive details online</a>
------	--	--

Tax Credit: 30% of cost, up to \$1,500	Program: <b>Energy Efficient Home Improvements</b> Storm Windows. Must meet IECC in combination with the exterior window over which it is installed, for the applicable climate zone.	U.S. Department of Energy <a href="#">Incentive details online</a>
--	--	---

## Lighting

### Compact Fluorescent Lamps (CFLs)

Free	Program: <b>Energy Management Assistance Program</b> Lighting Replacement. Income-Qualified. As part of the Lighting Component of the income-qualified Energy Management Assistance (EMA) Program, Southern California Edison can install up to five (5) Compact Fluorescent Lamps (CFLs), Replacement of Exterior Fixtures with CFLs (Porch Lights), and/or replace torchieres using incandescent or halogen bulbs with an energy-efficient torchiere with CFLs.	Southern California Edison (SCE) (800) 736-4777 <a href="#">Incentive details online</a>
------	--	--

## Outdoors Landscaping

\$0.60/sq.ft.	Program: <b>Synthetic Turf Rebate Program</b> Synthetic turf for residential uses. \$0.60 per square foot. No minimum; no maximum; retrofit or new construction; must replace irrigated area.	Monte Vista Water District (909) 267-2165 <a href="#">Incentive details online</a>
---------------	--	--

\$2/sq.ft. up to \$2000	Program: <b>Water Wise Landscape Program</b> Monte Vista Water District is participating in the regional Water-Wise Residential Landscape Program, which offers a mini-grant of \$2 per-square-foot up to a \$2,000 maximum per residential site to convert grass to California friendly landscaping. See website for details.	Monte Vista Water District 909-267-2165 <a href="#">Incentive details online</a>
-------------------------	---	--

## Pool Filtration Pumps and Motors

\$30.00/unit	Program: <b>Single Family Energy Efficiency Rebate Program</b> Pump and high efficiency single-speed motor. Must agree to time-of-use requirements.	Southern California Edison (SCE) 800-736-4777 <a href="#">Incentive details online</a>
--------------	--	--

\$250.00/unit	<b>Program: Single Family Energy Efficiency Rebate Program</b> Pump and two-speed motor with automatic controller.	Southern California Edison (SCE) 800-736-4777 <a href="#">Incentive details online</a>
---------------	---	--

## Swimming Pools

\$100/unit	<b>Program: PG&amp;E Pool Pump Rebate</b> Pentair and Sta-Rite variable speed and two-speed pool pumps (IntelliFlo and IntelliPro). Must be installed by qualified (factory trained and authorized) pool professional. Available to PG&E customers only.	Pentair Water Pool and Spa (919) 857 - 9003 <a href="#">Incentive details online</a>
------------	---	--

\$200/unit (Variable) or \$100/unit(Two-speed)	<b>Program: PG&amp;E Pool Pump Rebate</b> Pentair variable speed and two-speed pool pumps (IntelliFlo and IntelliPro). Available to qualified (factory trained and authorized) pool professionals.	Pentair Water Pool and Spa 866-803-5250 <a href="#">Incentive details online</a>
--	---	--

\$200/unit	<b>Program: SDG&amp;E Variable Speed Pool Pump Program</b> Pentair and Sta-Rite variable speed pool pumps (IntelliFlo and IntelliPro). Must be installed by qualified (factory trained and authorized) pool professional.	Pentair Water Pool and Spa 909-518-8530
------------	--	--

## Renewable Energy Fuel Cells

\$3/Watt	<b>Program: Emerging Renewables Program</b> Solar Thermal Fuel cells (devices that use a chemical process to convert renewable fuels into electricity). May be installed by owner or licensed contractor. A full five-year warranty is required to claim the maximum rebate. Available to all types of customers whose site is interconnected with PG&E, SCE, SDG&E, or BVE.	California Energy Commission 800-555-7794 <a href="#">Incentive details online</a>
----------	---	--

Tax Credit: 30% of the cost, up to \$500 per .5 kW of	<b>Program: Energy Efficiency for Fuel Cells and Microturbines</b> Residential Fuel Cell and Microturbine System. Must have efficiency of at least 30% and must have a capacity of at least 0.5 kW power capacity.	U.S. Department of Energy <a href="#">Incentive details online</a>
---	---	---

## Photovoltaics

Tax Credit: 30% of cost	<b>Program: Solar Energy Systems</b> Photovoltaic Systems - Photovoltaic systems must provide electricity for the residence, and must meet applicable fire and electrical code requirement.	U.S. Department of Energy <a href="#">Incentive details online</a>
-------------------------	--	---

\$1.55-\$2.20/watt	<b>Program: Solar for Existing Homes</b> Photovoltaic Systems. California Solar Initiative incentives for homeowners in investor-owned utility territories (PG&E, SCE, SDG&E) to install photovoltaic systems. Contact an eligible solar installer or your utility to get started or visit the Go Solar California website for more information.	California Public Utilities Commission (CPUC) 415-355-5586 <a href="#">Incentive details online</a>
--------------------	---	---

\$4.75 to \$7.00/watt	<b>Program: Solar for Low-Income &amp; Affordable Housing Photovoltaic Systems</b> In addition to incentives ranging from \$4.75 to \$7.00 per watt, the program will also provide fully-subsidized 1kW photovoltaic (PV) systems to qualifying homeowners who cannot afford to take out loans to cover the cost of the system.	California Public Utilities Commission (CPUC) 415-355-5586 <a href="#">Incentive details online</a>
-----------------------	--	---

## Solar

\$3.30-\$4/watt

Program: **Solar for Low-Income & Affordable Housing** Solar Energy Systems. Cash incentives to owners of eligible affordable housing structures who install solar energy systems that offset common and/or tenant electrical load. Contact the program administrator in your utility service territory for more information: PG&E, SDG&E, or SCE.

California Public Utilities Commission (CPUC)  
415-355-5586  
[Incentive details online](#)

## Solar Thermal

Tax Credit: 30% of cost

Program: **Solar Energy Systems**  
Solar Water Heating - At least half of the energy generated by the "qualifying property" must come from the sun. Homeowners may only claim spending on the solar water heating system property, not the entire water heating system of the household. The credit is not available for expenses for swimming pools or hot tubs. The water must be used in the dwelling. The system must be certified by the Solar Rating and Certification Corporation (SRCC).

U.S. Department of Energy  
[Incentive details online](#)

## Water Efficiency Controls

Up to \$240 for 12 stations; up to \$550 plus \$6.50 per station for 13-24 stations; up to \$1,100 plus \$6.50 per station for over 24 stations

Program: **Smart Timer Irrigation Controller Rebate Program**  
Purchase a new weather-based irrigation controller from eligible list and apply for a rebate. See website for details. Effective July 01, 2008 rebate is reduced to \$80 per device.

Monte Vista Water District  
909-267-2165  
[Incentive details online](#)

## Irrigation Systems

\$4/nozzle

Program: **Rotating Nozzles for Pop-up Sprinkler Heads**  
Rotating nozzles for pop-up sprinkler heads apply water much more slowly and uniformly than conventional spray nozzles, allowing the water to soak into the ground and reducing runoff. \$4 per nozzle. 25 unit minimum. No maximum.

Monte Vista Water District  
909-267-2165  
[Incentive details online](#)

## Toilets

\$100/unit

Program: **High Efficiency Toilet Rebate Program**  
High-Efficiency Toilets. High-efficiency toilets with 1.28 gallons per flush (gpf) or less. Some models are pressure assisted; some are dual flush (full flush and half flush options). Rebate: \$100.

Monte Vista Water District  
(909) 267-2165  
[Incentive details online](#)

## Toilets & Urinals

\$50/toilet

Program: **Low-Flow Toilet Rebate**  
Purchase a 1.6 gallon toilet to replace models with higher flushing capacity and receive a \$50 rebate. Limit of two per household.

Monte Vista Water District  
909-267-2165  
[Incentive details online](#)

\$50/toilet	<p>Program: <b>Toilet Rebate Programs</b>          If you own a single-family home and have toilets which use more than 1.6 gallons per flush (manufactured prior to 1994), you are eligible to receive a cash rebate for each toilet you purchase and install (up to two toilets per household).</p>	<p>Inland Empire Utilities Agency (IEUA)          (888) 616-8568  <a href="#">Incentive details online</a></p>
\$150/toilet	<p>Program: <b>Toilet Rebate Programs</b>          IEUA offers a \$150 rebate (up to two per household) to any homeowner who replaces their existing toilet with a high efficiency toilet model.</p>	<p>Inland Empire Utilities Agency (IEUA)          (888) 616-8568  <a href="#">Incentive details online</a></p>
\$300/unit	<p>Program: <b>High Efficiency Toilet Rebate Program</b>          High efficiency toilets with 1.28 gallons per flush (gpf) or less. Some models are pressure assisted; some are dual flush (full flush and half flush options). Must be replacing a 1.6 gpf or higher toilet. Rebate: \$300.</p>	<p>Monte Vista Water District          (909) 267-2165  <a href="#">Incentive details online</a></p>
Free	<p>Program: <b>Energy Management Assistance Program</b>          Refrigerator Replacement. Income-Qualified. As part of the income-qualified Energy Management Assistance (EMA) Program, Southern California Edison pays all the costs of purchasing and installing energy-efficient appliances and equipment, which are free to eligible customers.</p>	<p>Southern California Edison (SCE)          (800) 736-4777  <a href="#">Incentive details online</a></p>
